PROFITIOUS EVENTS CONDUCTED

- **Apart from providing placements and successfully recruiting students in various companies, Placement Cell, also organized the Annual internship fair in the college during the academic session 2018-19 Internship Fair.**

The Cell organized its second edition of “Internship Fair” in March 2019 in which various colleges and universities participated including VIPS and Amity University. Around 20 Companies participated as our recruiters including Decathlon, Outlook, Unnati NGO and more than 300 students attended the fair proving it to be a great success. The fair was successful in providing more than 75 students with summer internship opportunities.

The team structure and the Coordinators for the Academic Session 2019-20 are mentioned as under:
